COMPOSITES
CONFERENCE
& EXHIBITION**

World's Leading Automotive Composites Forum

SOCIETY OF PLASTICS ENGINEERS
AUTOMOTIVE & COMPOSITES DIVISIONS

COMPOSITES: SHAPING NEW VEHICLES

SEPTEMBER 15-16 2010

CALL FOR PAPERS

ATTEND THE WORLD'S LEADING AUTOMOTIVE COMPOSITES FORUM

The Automotive and Composites Divisions of the Society of Plastics Engineers (SPE) International invite you to attend the 10th-annual *SPE Automotive Composites Conference and Exhibition (ACCE)*, **September 15-16, 2010**. The show – which has become the world's leading automotive composites forum – will feature technical paper sessions, panel discussions, keynote speakers, networking receptions, & exhibits highlighting advances in materials, processes, and applications technologies for both thermoset and thermoplastic composites in a wide variety of ground-transportation applications.

PRESENT BEFORE AN ENGAGED, GLOBAL AUDIENCE

The *SPE ACCE* typically draws over 400 attendees from 14 countries on 4 continents who are interested in learning about the latest composites technologies. Fully a third of attendees work for an automotive, heavy truck, agricultural / off-road equipment, or aerospace OEM, and roughly a fifth work for a tier integrator. Few conferences of any size can put you before such an engaged, global audience vitally interested in hearing the latest composites advances. Interested in presenting your latest research? **Abstracts** are due no later than **March 26, 2010** and **Papers** no later than **May 28, 2010** to allow time for peer review. E-mail abstracts or papers to ACCEpapers@speautomotive.com. Approved papers will be distributed on a CD to conference attendees and posted on our website after the event.

SHOWCASE YOUR PRODUCTS & SERVICES WITH EXHIBIT & SPONSORSHIP OPPORTUNITIES

A variety of sponsorship packages – including displays, conference giveaways, advertising and publicity, signage, tickets, and networking receptions – are available. Companies interested in showcasing their products and/or services at the *SPE ACCE* should contact Teri Chouinard of Intuit Group at teri@intuitgroup.com.
