

## Why Sponsor?

Sponsorship positions your company as an industry leader. It enhances your marketing programs, since sponsors are included in conference promotions to international trade media, eBlasts to OEMs, tier suppliers, and previous conference attendees, and on the worldwide web. Sponsorship also helps us underwrite the cost of providing automotive OEMs free admittance to the event. Sponsoring organizations receive numerous additional benefits, including greater visibility for their products and services at the world's leading automotive composites forum.

## Who Should Sponsor?

✪ Molders/Component Suppliers ✪ Resin Suppliers ✪ Pre-Preg & Semi-Preg Suppliers ✪ Machinery OEMs ✪ Analysis / Testing Companies ✪ Reinforcement /Additive Suppliers ✪ Consultants.
